WARRANTY

Meze Audio guarantees this product against defects in materials or workmanship for a period of two (2) years for customers from EU countries and one (1) year for customers outside the EU. During this period, Meze Audio will repair or replace the product or parts at no charge. After the warranty period expires, you are responsible for the repair or replacement of the product. This warranty does not cover other related costs and is independent of the seller's warranty policy, depending on the country.

- For the warranty to apply, presenting an original proof of purchase is required. The proof of purchase may be in the form of a receipt or bill of sale from an authorized dealer, and must include the model of the product and the date of purchase.
- This warranty DOES cover products sold as-is, open box, second-hand, or display models, as long as original proof of purchase is provided.
- This warranty DOES NOT cover cosmetic damage, acts of God, normal wear and tear, accidents, misuse, commercial use, any modifications to the product, improper use, or improper connection. Additionally, it doesn't cover purchases from an unauthorized dealer or attempted repair by anyone other than Meze Audio or another authorized person or unit. This warranty is also void if the product was damaged by a product that it was used with, such as battery leaks or electrical fault of a connecting product.
- The warranty is transferable, on the condition that the original proof of purchase is provided.
- Meze Audio is not responsible for the replacement or repair of products if in violation of this warranty.
- Some countries may have other restrictions on warranty policies.

RETURN POLICY

We have a 15-day return policy for customers from EU countries and a 30-day return policy for customers outside the EU. If you are not satisfied with your purchase, please reach out to us, or your authorized dealer for support. ◉ Please note that returns can only be processed by the specific seller you purchased from; if you bought through an authorized dealer, you must contact them directly to initiate a return. ◉ We are not responsible for items returned without previously contacting Meze Audio. ◉ Please inspect your order upon reception and contact us immediately if the item is defective, damaged, or if you receive the wrong item, so that we can evaluate the issue and make it right. If the product you received is defective from Meze Audio or when purchased through any other authorized dealer, you may request an exchange under our warranty.

REFUND POLICY

To be eligible for a refund from Meze Audio, the product must have been purchased directly from the Meze Audio website. If your product was purchased from other retailers, you must contact that specific retailer. ◉ Products purchased from our website must be returned within 30 days from the purchase date (15 days for customers in EU countries), in order to qualify for a refund. Items must be in functional condition and not damaged by the customer. The package and items must be without any visible damage and complete with all accessories. The customer is also responsible for paying all shipping fees to return the product. Original shipping cost will not be refunded. ◉ We will notify you once we've received and inspected your return, and let you know if the refund was approved or not. If approved, you'll be automatically refunded on your original payment method within 10 business days. Please remember it can take some time for your bank or credit card company to process and post the refund too. If more than 15 business days have passed since we approved your return, please contact us at support@mezeaudio.com.

This product complies with the Electromagnetic Compatibility (2004/108/EC) directive when used and installed according to this instruction manual.

CORRECT DISPOSAL OF THIS PRODUCT (Waste Electrical & Electronic Equipment)

This product conforms with all applicable European regulations and directives. The following regulations are applicable throughout the European Union and other European countries with separate collection systems. This marking on the product, accessories, or literature indicates that the product and its electronic accessories should not be disposed of with other household waste at the end of their working life. To prevent possible harm to the environment or human health from uncontrolled waste disposal, please separate these items from other types of household waste and recycle them responsibly to promote the sustainable reuse of material resources.
